It's Boat Show time again!!!! This year the Victorian Drag Boat Club will again be well represented at the Club Marine National Boat Show with another fabulous display in the Melbourne Entertainment Centre foyer. Situated right opposite entry door 5, the club stand is right in the 'Hot Spot' where all the public walks through, either going into the boat show or going to the casino.

This year the club stand will feature "The Piece", "Distant Thunder", "Stone Cold" and "Altered Image". With the Videos and DVD playing at the stand, we attract a huge amount of attention towards our club and drag boat racing!

The times for the show are:

Thursday 6 July	10.00am – 9.00pm
Friday 7 July	10.00am – 9.00pm
Saturday 8 July	10.00am – 9.00pm
Sunday 9 July	10.00am – 7.00pm
Monday 10 July	10.00am – 9.00pm

We hope you can come in and see your club at work, and maybe spend some time handing out club information as we attempt to encourage more members and competitors to our sport. Please contact Gary James on 0409 550 823 if you require any further information on the 2006 Club Marine/Victorian Drag Boat Club Show!

Look forward to seeing you there!
