As you may or may not be aware Aaron is now in a wheelchair following a horrific accident that has left him a quadriplegic. Funds are required for many projects to support Aaron and your donation will go a long way to ease some of his struggles.**

**We will be holding an evening of fine food, good company, raffles, prizes and auctions to tempt us all. So bring along all small and large change and join us in a fun night as we show our support for Aaron.**

**Any prizes, donations, sponsorships or items big or small are greatly appreciated.**
