PRESS RELEASE

1st February 2010 - The 2010 Australian National Drag Boat Championships to be held on Sunday March 21st at the National Water Sports Centre (NWSC) in Melbourne is by far the biggest drag boat event in the country. With the Bill Davis Memorial Trophy up for grabs for all Supercharged Alcohol and unblown hydros along with the 'Yella Terra' Cup on offer for the BAD boats, plus full fields of bracket class racers this will surely bring the spectators out in their droves! With great prize money on offer for all competing classes the VDBC is expecting the largest field of drag boats including the awesome Blown Alcohol Hydros, BAD's, Social Stock (up to 65mph), Stock Eliminators (up to 75mph), Modified Stocks (up to 85mph), Super Stocks (up to 95mph), Super Competition (up to 105 mph), Pro Competition (up to 115mph) and Unlimited Outboards all in one place at the same time competing on the Liquid Quarter Mile. The excitement is really starting to reach fever pitch as boat entries and driver commitments have already been received from 3 states.

The NWSC is located only 35 kilometres from the city of Melbourne giving spectators a complete view of the race track, grassy banks as drag boats compete in their various classes right in front of them. The Nationals is a fully catered for event with bar facilities so race fans can really enjoy 'a day at the races'.

For more information or a race entry information pack please call the VDBC Secretary Tanya Goldsack, who can be contacted on 0425 814 750, or log onto www.vdbc.com for updates and further information.

In the meantime if your looking for a taste of some drag boat racing action don't miss the next race on February 21st at the National Water Sports Centre in Bangholme starting at 10.30am, for the 'Summer Shootout' and round 4 of the National High Points Series.
